Outstanding Achievement in the Intermediate Biology Olympiad 2026

Students from our school participated in the Intermediate Biology Olympiad 2026 and achieved excellent results, earning 19 Gold Awards, 2 Silver Awards, 3 Bronze Awards, 2 Highly Commended Awards, 2 Commended Awards, and 13 Participation Awards.

The Olympiad covers a wide range of biological concepts and challenges participants to apply their analytical and problem-solving skills beyond the regular curriculum. Through the competition, students explored various biological topics independently, deepened their understanding of life sciences, and developed their scientific inquiry and critical thinking skills. Their achievements reflect their dedication and passion for scientific exploration, and we hope they will continue to pursue their interest in biology.

Name of Competition	Awards	Awardees
