

Citizenship, Economics and Society (2026-27)

I) Curriculum Aims

The aims of the Citizenship, Economics and Society curriculum are:

- (a) to help students develop a positive self-understanding, enhance competence to meet daily and future challenges, seize opportunities, as well as pursue their goals and realise their aspirations;
- (b) to nurture students to become informed and responsible citizens who respect the rule of law, have a sense of national identity, and contribute to the common good of society and our country;
- (c) to strengthen students' understanding of national and local economic and social affairs, and nurture their sense of national identity;
- (d) to promote students' understanding of our country and strengthen their sense of national identity and sense of belonging towards our country; and
- (e) to cultivate students' concern for local, national and contemporary world topics, help them understand how our country cooperates with other countries in responding to global issues, and broaden their global perspective.
