

Organic Ambassador Training Scheme 2020-2021

The scheme was held by Institute of Bioresource and Agriculture and Hong Kong Organic Resource Centre. The scheme aims to introduce local organic agriculture and aquaculture to students, allowing them to acknowledge the importance of organic farming to the environment and our society. As Organic Ambassadors graduate, they become the new generation who promotes organic green living and contributes to promoting sustainable development of Hong Kong. Students who receive the certificates are as follows:

Certificate of Silver Award	5C Chung Wing Ki
Certificate of Bronze Award	5B Chan Ka Ying
Certificate of Graduation	5C Chan Yan Ting
