

News from Physical Education Department

Retired Athletes Transformation Programme

Our school has successfully applied for the “Retired Athletes Transformation Programme” , which is organised by Home Affairs Bureau and administrated by HKACEP. We are happy to have appointed Mr. Chan Yat Long Mike, former representative of Hong Kong Bowling Team, as the School Sports Promotion Coordinator. Mike started his full-time athlete journey for 9 years since 2011. He will promote sports and nurture sports talents in our school in the coming 3 years.
