

GO FOR IT, DANIEL!

Admitted in our school in 1997, Chan Ho Yuen, Daniel was selected as one of the Outstanding Young Persons in 2019. He is currently the first and only wheelchair badminton player. Ranked No. 2 in the world, Daniel won silver medals in both 2019 BWF Para-Badminton World Championships and 2018 Asian Para Games. He is representing Hong Kong at the 2020 Summer Paralympic Games, hoping to be a medalist again.

Daniel was involved in a car accident that led to the amputation of his left leg when he was 23 years old. He did not give up and found his way back to sport as he was a keen badminton player since childhood.

With his tremendous resilience, perseverance and dedication, he has overcome many obstacles and is ready to compete at the Paralympic Games - the highest platform for every athlete. As the Alumni Manager of our school, Daniel shows much positivity and is definitely our role model.

Daniel will be competing in the men's singles WH 2 from 2nd to 5th September. The competitions will be livestreamed and broadcasted in CAA of our campus during recesses. Let's support Daniel together.
