

The Merit Award in the 'National Security Law Video Shooting Competition'

Our students are honoured to be awarded the Merit Award in the 'National Security Law Video Shooting Competition' (「荃城推廣國安法」國安法短片創作比賽) jointly organized by the Tsuen Wan District Civic Education Committee and the Tsuen Wan Youth Association. A number of participants, including professional video production companies, competed in this competition and the winning entries were of professional standard. A short film produced by our students introduced the 'trivias' of the National Security Law in a lively way and explored the issues regarding freedom of speech. The students had attended the award presentation ceremony earlier and had the honour to take a photo with the officiating guest, Secretary for Security, Mr. TANG Ping-keung, PDSM, JP.
