

Yung Wing Chun Kelvin, our graduate of 2022, was awarded a scholarship

In order to encourage teenagers to love the country and Hong Kong, develop virtues, be industrious, serve the community and contribute to the country, the New Territories School Heads Association, Federation of Hong Kong Guangdong Community Organisations and Federation of Hong Kong Guangdong Community Organisations Charitable Foundation co-organised the Scholarship Scheme 2022.

Yung Wing Chun Kelvin, our graduate of 2022, was awarded the scholarship of HK\$10,000. Congratulations to Kelvin!

Another alumna of our school, Yeung Ka Ming, Dennis was awarded this scholarship last year. It is evident that our graduates have positive qualities and contribute much to the community.
