

Turning the 45th anniversary logo into a unique non-fungible token

The winner of the 45th Anniversary Logo Design Competition is Lin Kevin (F.6 2021-2022). Kevin has generously handed over all rights of the logo to our school (Tsuen Wan Public Ho Chuen Yiu Memorial College), hence allowing the logo to be made into a unique non-fungible token (NFT). All the proceeds generated by the NFT will go to the development of the school.
