

# Organic Low Carbon Youth Programme

F.4B Chan Lok Iu, Chloe, 4D Fung Sze Ching, Cheryl and 4E Lam Tsz Ki, Kimberly participated in the “Organic Low Carbon Youth Programme” organized by the Hong Kong Organic Resource Centre. In the programme, they learn concepts of organic and carbon reduction, enhance social awareness and sense of responsibility for the natural environment, and actively promote organic carbon reduction life messages. The students successfully completed the program and received a graduation certificate.
