2B Wong Yuet Esther and 2D Wang Junxi participated in the Chinese Culture Summer Camp organized by New Asia College, The Chinese University of Hong Kong. The camp was held from 18th to 20th July this year. The three-day and two-night camp provided engaging and interactive activities such as tea art, kung fu, and traditional music that helped them better understand Chinese culture and values. In addition, they had the opportunity to engage in in-depth cultural exchanges. Our Principal Dr. Lau Sui Yee was invited to attend the welcome dinner held at New Asia College, The Chinese University of Hong Kong, and took a group photo with the two students.
