

Caring School -- Award for Volunteer 2023

Our school was awarded the title of 'Caring School' in

Hong Kong Volunteer Award 2023

6E Li Long Hei has got the individual Bronze award

Our school is pleased to inform you that we have received the Caring School --Award for Volunteer 2023, our Form 6 student- 6E Li Long Hei has got the individual Bronze award. This is the second year that we have got the prize which is co-organised by the Home Affairs Bureau and the Agency for Volunteer Service.

Our school have always been committed to serving the community, endeavouring to help those in need by providing suitable volunteer service. In the past year, we sent our care and love to the elderly in the neighbourhood through the gifts carefully prepared by our F.4 students. To cheer up the elderly, 200 packs of gifts were delivered to the Rotary Club of Hong Kong Northwest Neighbourhood Elderly Centre. Our students also did various performances online to give fun and happiness to the elderly, who were able to have some interactive communication with our students online.

On top of that, our student-LED service team helped to decorated the sheltered workshop of the Rotary Club in Shek Wai Kok before the Chinese New Year. This enabled the physically challenged to immerse in the festive vibe and find joy. The service gave our students the opportunity to understand those who might have been neglected and learn care and respect, appreciation and embrace of different people.

Besides, our school service teams also organized charity sales to raise funds for the Community Chest and the Society for the Prevention of Cruelty to Animals (Hong Kong).

The Caring School Award is a great encouragement to our school. We will definitely continue our efforts in volunteer service and hold suitable events to serve the elderly and those who need us in the community.
