The 3rd Hong Kong Young Leaders in Law Training Scheme

The 3rd Hong Kong Young Leaders in Law Training Scheme, organised by the Joint Committee for the Promotion of The Basic Law of Hong Kong and sponsored by the Constitution and Basic Law Promotion Activity and Research Sponsorship Scheme, has successfully empowered the next generation of legal professionals.

The comprehensive program aims to educate Hong Kong's youth about the national constitution, the Basic Law, the National Security Law for the Hong Kong Special Administrative Region, and local legislation. Students participated in legal lectures, workshops, a three-day leadership training camp, and a "Legal Hong Kong" city tour, among other engaging activities.

4C student Ho Chun Fung, Jeffrey, was among the dedicated participants who completed the rigorous 200-hour training scheme. Jeffrey demonstrated exceptional enthusiasm and excellence throughout the program, and has been awarded a certificate of commendation as recognition of his outstanding performance.
