

Awards from Junior Secondary Science Online Self-learning Scheme 2024

Junior Secondary Science Online Self-study Scheme 2024, which was held by Education Bureau, provided online seminars, e-quizzes and online reading activities relevant to Science (S1-3) curriculum. This allows students to pursue the latest science knowledge proactively through self-learning, enhancing their scientific literacy and learning effectiveness in STEAM.

Students from our school participated in the online activities and completed the science electronic quizzes in the Scheme. They achieved outstanding results. The award winners are as follows:

| Outstanding Award | Awardee |
|-------------------|-----------------|
| Gold | 4D Lai Wing Sze |
| Honorable mention | 4D Lai Wing Chi |

They also attended the Award Presentation Ceremony at EDB Kowloon Tong Education Service Centre on 28 October 2024. Congratulations!
