

STEAM HKPC “Summer TechEd Fest 2024” Educational Workshop

11 F1-F4 students participated in the "Summer TechEd Fest 2024" event organized by the Hong Kong Productivity Council (HKPC). The event took place on July 5th and 6th at the HKPC Building, offering the public, especially tech enthusiasts, a chance to experience over a hundred engaging game booths, workshops, and experiential areas for free. This year's event focused on the theme "A+STEM," integrating art elements into tech education to enhance students' interdisciplinary learning abilities and equip them for future challenges.
