

7th “Distinguished Master, Accomplished Students” Mentorship Programme

4D Leu Tsz Ling was nominated and enrolled in the 7th “Distinguished Master, Accomplished Students” Mentorship Programme.

The Mentorship Programme has invited 53 scientists and engineers to become voluntary mentors for 109 senior form local secondary school students who are interested in Science. Dr Christine Choi, Secretary for Education of the HKSAR, was invited as the officiating guest for the kick-off ceremony. She said that the EDB will align with the national direction of invigorating the country through science and education, and support Hong Kong's development into an international innovation and technology (I&T) hub.

It is believed that Leu Tsz Ling can learn a lot from the distinguished masters and widen her horizons.
