

The 7th Greater Bay Area STEAM Excellence Award 2025 (HKSAR)

Our school has been awarded the **Top 10 STEAM Schools Merit Award** at the 7th Greater Bay Area STEAM Excellence Award 2025 (HKSAR). The award was presented to our Principal, Dr. Lau Sui Yee, by Dr Sze Chun Fai, Jeff, JP, the Under Secretary for Education. Over the past few years, our school has meticulously designed engaging and interesting STEAM courses for Form 1 and Form 2 students, actively promoting interdisciplinary collaborative projects and offering a variety of STEAM activities to inspire students' creativity and inquisitive spirit.

In addition, our STEAM Education Coordinator, Ms. Leung Hoi Yan Wendy, has received the **Top 10 STEAM Teachers Award (Secondary School Stream)**. This award is a testament to her efforts in shaping and implementing our school's STEAM curriculum, infusing it with vitality.

The 7th Greater Bay Area STEAM Excellence Award 2025 (HKSAR) was organized by the Hong Kong New Emerging Technology Education Association, with support from various industry organizations and professional bodies. The Education Bureau, the Digital Policy Office, and the Home and Youth Affairs Bureau have all provided full support for the initiative, aiming to recognize outstanding contributions by teachers and schools in the field of STEAM education.

Congratulations to Ms. Leung, and we look forward to our school receiving more honors!
