

Form One Study Tour: Shenzhen Arts and Culture Exploration Tour

To enrich students' learning experiences and deepen their understanding of Chinese culture, the Other Learning Experience Committee has arranged for Secondary 1 students to participate in the “Shenzhen Arts and Culture Exploration Tour” organised by the Education Bureau on 27 March 2026. This study tour aims to provide students with first-hand insight into the current national situation and the latest developments of our country, while fostering an appreciation for Chinese culture and strengthening their sense of national identity.

During the trip, students will visit the Dafen Art Museum and Dafen Oil Painting Village to gain insight into the styles, artistic characteristics, and evolution of Chinese oil painting, thereby fostering their creativity and art appreciation skills. Furthermore, students will visit the Shenzhen Museum of Contemporary Art to explore the development of contemporary Chinese art—an experience from which they will surely benefit.
